Questions and concerns?

One resident asked if we have to pay as a Corry resident for the Corry room. The resident was told no, but if he was charged, he could make an announcement next meeting

One resident complained about roots in the playground which is dangerous and that it could be a danger for kids to trip and injure themselves. The resident was told that GFH will look into it.

One resident complained about the breezeway policy and hanging clothes outside. The resident was told that GFH is working on getting a drying rack. The residents were also told that if they have an infant and they do not want to wash the clothes in the Laundry machines, they could request to dry the clothes outside. Only if the Area Coordinator agrees, the resident can hang the clothes outside. This is not an guarantee.
