Meeting Minutes

Diamond Village Resident Meeting

Date: 08--30--2012  Place: Diamond Commons Room

Call to Order: 07:15 pm

Meeting Agenda:
1. Mayor Position is Open
2. Zumba Classes
3. A Visit by Rosana
4. Brown Bag Event

Mayor Position is Open
The Diamond Village mayor position was announced during the meeting. Specifically, the residents were informed that the election process for the position is now open and we are looking for a candidate. The mayor’s responsibilities and benefits were also communicated.

Zumba Classes
As MC has decided to bring Zumba back for the fall 2012, residents were told about the upcoming event in three villages (Corry, Diamond and Tanglewood). Once the event is approved by the SG, a formal announcement will be made.

A Visit by Rosana
Rosana Resende, Faculty-in-Residence, Dept. of Housing and Residence Education, was invited to the meeting. She talked about the academic survival kit for the students.

Brown Bag Event
One of the residents, Joel L. Zive, proposed to provide the residents with a “Brown Bag” event. He suggested that as the large percentage of those occupants are visiting international students, and they bring medicines not available in this country. A “brown bag” is when you ask residents to put all of their medications - both prescription and over-the-counter in a brown bag and bring to a location where a pharmacist evaluates the contents for safety, efficacy, drug interactions and expiration. In the case of our international clientele, we may be able to find American therapeutic equivalents to the drugs they brought from home. Joel described the event to the residents and stressed that the event is designed to help them and not to take their medicines away. He strongly encouraged them to participate in the event. The event date is yet to be decided.

Residents were then invited to have the Dinner Breakfast and enjoy rest of the night.

Adjournment: 08:00 pm
